

Topic:

Our topic for the first half term is Evolution and Inheritance. We will be learning about how we inherit features and traits from our parents, how animals change and adapt to suit their environment and how things change over time.

English:

In English, we will be learning how to write like journalists. We will be learning about the features of newspaper reports and will be writing our own to link in with our topic work.

SPaG:

We will continue to have short SPaG (spelling, punctuation and grammar) lessons each week. They will also feed into our English work.

Welcome back! I hope you have had a great Easter holiday and are ready for the final term of Year 6.

The focus for the first part of this half term will be revision ready for SATs week (8th-11th May) alongside our topic work.

I am really impressed with all the hard work everyone has been doing both in and out of school; keep it up!

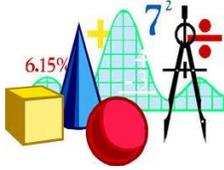

Miss Armstrong

Summer term 2017

Numeracy:

For the first part of the half term, we will be revising the topics that we have covered during year 6. There will be a strong focus on problem solving in preparation for the reasoning papers. We will also be practising our arithmetic skills.

SATs week:

- Monday 8th May – reading test
- Tuesday 9th May – SPaG and spelling tests
- Wednesday 10th May – arithmetic and reasoning tests
- Thursday 11th May – reasoning test

Make sure you get an early night before each test and have a hearty breakfast before school each day to boost your brain power!

Dates for your diary:

Monday 8th – Thursday 11th May: SATs week

Monday 15th May: Library

4th July: Leavers' mass (6.30 pm)

Friday 21st July: Year 6 leavers' assembly

We will soon begin rehearsing for the end of year play which will be led by Year 6. Dates of the performances will be sent out once they have been confirmed but are likely to be in the last week of term.
