POLITE NOTICE

We are receiving complaint emails and phone calls from our local residents who report that vehicles are parking across their drives both before and after school. Please do not do this as it is very bad manners towards our community and doesn't set a good example to our children. It also makes it very dangerous for families trying to cross the road safely, as vision is restricted. Fr Joe is very happy for you to use the church car park during the drop off and pick up times.

Have a blessed Easter

It feels too early to wish you all a very happy Easter, when we still have two weeks left of Lent including Holy Week. It is also very hard to believe that another term has come to an end and there is only the Pentecost term remaining.

This term has been incredibly busy, with our Ofsted visitors (who were very positive and supportive), the opening of the school library which was very exciting for everyone, parent consultation evenings, World Book Day celebrations with the visiting storyteller, Ash Wednesday Mass and House family lunches, to name just a few of many events and experiences this term. The Year 3 and 4 children have been working very hard with their class teachers, Mrs Oliphant and Mrs Garibaldi to prepare a special Easter play for the rest of the school and the parents to enjoy. We are really looking forward to this experience on Friday and hope you will join us.

STAFFING UPDATE

At the end of this term we wish Mrs Burton and Mr Williams our very best wishes, as they leave our Sacred Heart community. We wish them both every success and happiness for the future. We also wish Mrs Salvin our very best wishes, as she leaves us to go on maternity leave. We hope she manages to put her feet up over Easter before the birth of her second child. We excitedly await the news of the baby's arrival!

Who was living out their discipleship this Lent?

I met with the chaplains and during Lent they had witnessed lots of children showing they are disciples.

Chaplaincy Team

As part of our Lenten almsgiving, the chaplains chosen charity for Lent is CAFOD. During Lent the children have been asked to 'Give it up!' for lent and any savings to be collected in the CAFOD envelope. These funds will be collected on Thursday, during our House Group activity morning, where the children will find out more on how CAFOD will use the money raised in their important disaster work, following the tropical cyclones which recently devastated parts of Africa. These funds go to support families in remote villages by providing vital means of repairing their lives and supporting their future; building materials, equipment and seeds, chickens and goats which all provide for their immediate needs and support for the future. We will let you know how much we have raised after Easter.

News for 2019-2020.

I am pleased to announce that following a very busy day we have successfully appointed a Deputy Headteacher, Mr Cordes, to work alongside myself, the Senior Leadership Team and the Sacred Heart staff team from September 2019. Mr Cordes will have a three day teaching responsibility as well as being a member of the Senior Leadership Team.

We have also successfully appointed Miss Mackie to work in Foundation, alongside Mrs Bartley and the Foundation team from September 2019. We very much welcome her back to the team and I know she is very excited to be returning to the Sacred Heart community.

During the Pentecost term, following our governors meeting, I will provide a breakdown of the staffing structure for 2019-2020.

Our children, the chaplaincy team and the staff team have worked very hard this term, alongside our governors, senior members of the Our Lady of Lourdes trust and the Director of Catholic Education to support the successful recruitment for 2019-2020. May I offer my sincere thanks to the children, staff and families for all your support this term.

Very best wishes and Easter blessings to you and your families.
