OUR LADY OF LOURDES CATHOLIC MULTI ACADEMY TRUST

Welcome back to the Pentecost term and I hope everyone enjoyed a wonderful Easter break. We were blessed with beautiful weather throughout the holiday and I hope you all managed to share some quality family time.

This term has started with a great Easter themed family lunch for the Mary Potter House group, which was very well attended by over 30 family members. Thank you for your continued support.

Last Friday we also celebrated Easter with our School and Family Disco, which had a wonderful turnout, a fabulous atmosphere and raised £443.85. Many thanks to all of our staff who helped out on the night and to all of our families for all your help and support. We have already booked a welcome disco for Friday 27 September 2019- save the date!

This term also brings end of Key Stage statutory assessments. All of the children have worked very hard in preparation for these assessments and the dates are confirmed on the calendar with this newsletter.

Please check the calendar for the many exciting events which are coming up, including class trips, Sports Days, end of year play, Sacred Heart feast day Mass, leavers Mass... to name just a few!

£230.72 Raised through Give It Up campaign

£87.00 Resurrection Rocks

**Congratulations Sacred Heart  
for a fantastic Lent offering!**

### Chaplaincy Team

The Chaplains have invited CAFOD to come into school to talk about how our fundraising is supporting families around the world. We will let you know when they are able to come.

### Statutory Assessment Testing:

Throughout May the Year 2 children will be assessed against the government expectations for their age group. The Year 6 children will take their assessments from Monday 13<sup>th</sup> to Thursday 16<sup>th</sup> May. The Year 1/2 children will take the phonic assessment during the week commencing Monday 10<sup>th</sup> June. All of the remaining year groups will take part in assessments during July, to enable the teachers to report on the progress the children have made throughout the year.

It is very important that the children feel happy and relaxed about these assessments and parents can help this by ensuring the children arrive in school on time, 8.50am. It is also very important that children are well rested from the previous day and have had a good breakfast each morning. There are also places in Breakfast Club if any parents would find this service helpful at this time.

Please avoid any appointments during these times as the dates of the assessments are set by the government and cannot be changed.

Thank you for your assistance with this. All of the children should feel very proud of their hard work and effort throughout the year and we know they are fully prepared for these assessments.
