

Dear Parent

During your child's school day today, your child attended the Yr 3/4 school competition which was ran and hosted by Woodthorpe Tennis Club. I hope they enjoyed themselves. I am writing to you to let you know of ways your child can get into tennis here at Woodthorpe Tennis Club and join the other 120 local children from 4-18 years playing at our club.

How to get into tennis at Woodthorpe Tennis Club

- **Come and try one of our group lessons for free.** To book your free first lesson then call Chris on 07946 370513 or email: chris@ontheballcoaching.com. This offer also applies to parents as well who can come and try one of our adult group lessons.
- Book your child onto our tennis taster day during the May half term. **As part of the day, new children to our club receive a 4 week free trial in one of our groups.** The tennis days run 9am - 2pm and are ran by at least two of our coaching team. Numbers are limited so we can help players develop quickly. We trialed this new offer during the February half term and Easter holidays and several children from these days are now enjoying their weekly lesson after their trail four weeks of group coaching. Why choose Woodthorpe Tennis Club?

- We believe in Team Tennis and have made a commitment to enter our children into the local team tennis leagues. This summer we have entered 11 junior teams into the leagues and are passionate about giving all children the opportunity to play should they wish to compete in the leagues.
- Our Coaching Team works hard to help all players improve and comprises of three Senior LTA Level 4 Coaches, one LTA Level 3 coach and a support team of older juniors who have undergone LTA Tennis Leaders training. Our team is passionate about getting more people playing tennis, more often.
- At Woodthorpe Tennis Club, the coaching team also manages the senior teams, which enables many of our stronger juniors to compete in the adult leagues. Currently our Men's 1st Team is made up of four players who came through our coaching programme and we have three teenage girl players representing the Ladies 2nd team at the club.

Our website details a lot of what we do and please feel free to contact me should you have any questions. We hope to see you and your child at our club soon.

Kind regards,

Chris McGill
