

## Topic:

Our topic for the first half term is the Anglo-Saxons. We will be using primary and secondary sources to find out about how they invaded and settled in Britain, what their houses looked like, and much more!

## English:

In English, we will be reading Michael Morpurgo's version of the old Anglo-Saxon tale of Beowulf and using it to help us write our own stories.

## SPaG:

We will continue to have short SPaG (spelling, punctuation and grammar) lessons each week, as well as focusing on grammar and punctuation within our English lessons

# Happy New Year!

*Welcome back! I hope you have had a fantastic Christmas and are ready for another term of hard work!*

*As well as continuing with our usual lessons, we will also start doing some SATs practice papers in preparation for the tests in May. Our booster sessions will be running on a Monday and Wednesday to give us extra practise for the reading and maths papers.*

*Miss Armstrong*

# Spring term 2019

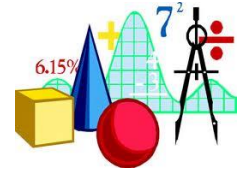

## Maths:

This term, we will be covering the following topics in maths:

- ✓ Negative numbers
- ✓ Time
- ✓ Algebra
- ✓ Angles
- ✓ Multiplication
- ✓ Division
- ✓ Fractions and decimals
- ✓ Ratio and proportion
- ✓ Mass
- ✓ Area and perimeter

We will also have time each week to practice mental maths, problem solving and general arithmetic skills.

## Computing:

We will continue to add to our coding skills, using different programs to create our own apps and games. ICT will also be integrated into many of our other lessons.
