

## What to bring to school:

Please make sure that you have the following things with you in school each day:

- Bottle of water
- PE kit
- School reading book
- Reading/homework diary

Our PE days will be Tuesday and Friday however your child is required to have their PE kit in school every day as per school policy

## Spellings:

Spelling lists will be handed out every Monday and you will be tested on them Friday of the same week. You **must** learn your spellings so make sure that you have time set aside to practise them.

# Year 4!

Two yellow five-pointed stars with black outlines, positioned on either side of the "Year 4!" text.

**I hope you have all had a great Easter break!**  
**I am very much looking forward to being with the children during the Summer term for lots of learning and fun. In the first part of the term, Ancient Greeks is our theme, so any fact finding at home is welcome. Also we will be learning about saving our planet, and the environment we live in.**

Mrs Day

## Homework:

Homework will be sent home on a Friday and is due in the following Friday. If you do not hand in your homework, and we don't have a note from your parents to explain why, you will be expected to do it during playtime.

## Reading:

We are in the middle of our reading challenge and many children have already received certificates for part of their reading journey. Please keep encouraging your child to read and continue to enjoy reading with them.

## Topic:

As we begin the last term of Year 5, we start our new topic – ‘Earth and Beyond’. We will be researching some famous astronauts as well as describing the planets in French and listening to space themed music by some famous composers.

## English:

Our English will, as always, be linked to our topic and we will be writing non-chronological reports, diaries and reading lots of space themed texts. We have already started exploring some space themes through a short film clip ‘The Astronomer’s Sun.’

## R.E:

Our R.E topics this term will be: Transformation, Freedom and Responsibility and Stewardship. We will explore a range of scripture, making wider links between these and a range of sources

# What we ★ will be ★ learning:

## Science:

Our Science topic this term will be Earth and Beyond. In our Space topic, we will be exploring the Solar System as well as the connection between the Sun, Moon and time.

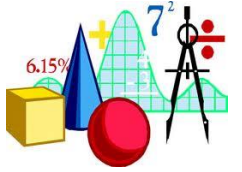

## Summer term 2019

## Maths:

This term, we will be covering the following topics in maths:

- ✓ Decimals
- ✓ Shape and position
- ✓ Measures and volume

We will also have time each week to practice mental maths, multiplication tables and general arithmetic skills. Another focus will be on vocabulary to enable children to develop their reasoning skills. Thank you to those of you who are continuing to use Mathletics and Times Tables Rockstars regularly.

## Computing:

We will continue to use the Internet effectively to research a range of topics and complete vital lessons on e-safety, which is an increasingly important part of today’s society.
