The Summer Term

Welcome to the summer term! This next half term's topic in Foundation will be 'People who help us'. We are looking forward to learning all about people's jobs – police officers, fire fighters, doctors, nurses, vets, postmen and post women...! We are very lucky to have police officers, fire fighters and nurses coming in and visiting us this half term and teach us all about what they do to help us in their jobs.

The role play area will transform every week to fit in with the week's topic and allow the children to act out and explore all they have learnt.

Maths and Literacy

In maths we will be looking at money, 3D shapes, ordering numbers, and estimation. In literacy we will be reading lots of information texts to help us find out about different people in the community, as well as continuing to develop our phonetic knowledge in daily phonics practice.

School Trips

We can't wait to go on our school trip to the FIRE STATION on the 8th May! And we are currently in the process of organising a trip to the farm next half term.
