

Sacred Heart Newsletter

29th April 2022

Congratulations!

Congratulations to the winners of our poetry competition with Braywood Gardens! Everyone's poems were fantastic.

Some pupils went to visit the residents of the care home this week, they had great fun playing games and reading out their wonderful poetry. Wonderful to see our pupils making others smile. Miss Owens is hoping to make a visit to the care home once a half term.

Easter Mass

Thank you to all of those who came to church to celebrate our Easter Mass. It is great to celebrate in the beautiful Sacred Heart Parish church again!

Congratulations Miss Millington – we will miss you.

Friday 29th April is Miss Millington's last day at Sacred Heart. She has been a wonderful team member and we are so sorry to see her go.

She has passed her apprenticeship wonderfully and now embarks on her carer in another school within our Trust. We wish her every success in her future.

Year 6 SATs Week

We are very proud of all our year 6's, we know that they have all worked very hard towards their SAT's which will be held week beginning the 9th May. It's a week to celebrate how wonderfully well they have all worked and progressed through difficult circumstances in the last few years.

We will be providing toast and a drink in the morning for all of year 6, please make sure that the pupils are well rested and attend school on time to prevent delays for other pupils.

Date	Events	More information

Science Week Photograph Competition!

We looked at all the winners in assembly last week! So many fabulous photos that our pupils had taken! Congratulations to all the winner who won in their classes and an extra congratulations to our overall winner who will be entered into our whole Trust competition.

Thank you all!

**Wednesday 25th May
2022**

As a school community we are planning to celebrate the Queen's Platinum Jubilee on Wednesday 25th May.

We plan to have a picnic on the school field as a whole school with music and bouncy castles as well as tea and cake for the parents after 2:30.

Each class have been allocated some money to create activities based upon the Jubilee which all pupils in the school can enjoy on the day.

For this day to run safely and smoothly we will require a few parent volunteers to help staff decorate the field and activity area with bunting and serve tea, coffee and cake to other parents.

Can you help us so we can make this day a life long memory for our pupils?

If you can please let Mrs Lucas know or the school office and we will be in contact with you.

Further information about booking a picnic lunch (no hot meals will be served on the day) and times of activities will be sent separately.

Lost Property

We have so many coats, jumpers, parts of PE kits that have found our way to the lost property box again without any names in. Please write your child's names on **all their** belongings with a permanent pen or a sew in label. If names are on items we can return them as soon as they are recognised as unclaimed, without the names this is impossible.

Hall Floor Renovation

We are currently having our hall floor sanded back to original wood and re- polished. This is a long job, as you can imagine and the company are starting to come in after school so they can be sure that the polish can be applied Saturday 28th May. Afterschool club may have to be in different rooms or outside during this time. It will look fabulous once it is complete!
