Volume 3 15th October 2021

Half term is upon us already! Thank you for all your support this half term, the food bank was very grateful for all of your donations – they really will make a difference to local families. I hope you all have a fantastic half term and come back ready for our Advent 2 half term.

Parking

We have had some complaints from local residents and a bus driver regarding the parking on Southcliffe Road at home time. Please can I remind you that there is parking at the Parish Hall and it is only a very short walk away.

PE Kits

We are still having some pupils regularly coming into school without the correct PE kit.

Jumpers and jogging bottom should be plain blue or black and T-shirts should be plain white.

If you are struggling to provide this, please let us know and we will try and help you.

LOST PROPERTY

We will place all the lost property items outside again tonight for the final time before they are washed.

Please make sure that your child's name is clearly on items of clothing so we can return items to their owners.

Breakfast Club

After half term, pupils will enter the school for breakfast club via the main school gate, the gates will be open from 7:45am till 8:15am and parents, if you wish can walk into school with your child. The main gates will then close and re- open at 8:35am. It is getting increasingly difficult for the staff at breakfast club to cater for late arrivals, therefore entrance will close at 8:15am. Please ensure that you book a place on MyED.
